ABOUT BOCCHI

Italian by birth. Turkish by design. American by demand. BOCCHI is taking the US by fire-fireclay, that is.

With origins dating back to 1950, BOCCHI brings the history and charm of the Mediterranean to the U.S. Kitchen and Bath market, calling Alpharetta, GA home.

BOCCHI's wide range of products extends from classical to modern, each created by Turkish and Italian designers to lend European style and create distinctive American products that bring more warmth to the kitchen.

The company's special product groupings include timelessly elegant fireclay kitchen and bathroom sinks, granite kitchen sinks, coordinating faucets, accessories and fixtures.
